KATHABAR-NIAGARA EXHIBITS AT 2010 AHR EXPO

(Buffalo, NY) Kathabar Dehumidification Systems and parent company Niagara Blower will be exhibiting at AHR Expo (January 25-27, 2009 in Orlando, FL) at booth number 3091.

The booth will showcase scale working models of both Kathabar and Niagara "No-Frost"® liquid desiccant conditioners. The demonstration systems will facilitate educational presentations on how liquid desiccant technology works. The conditioner is an integral part of liquid desiccant dehumidification technology.

Niagara Blower Company acquired the assets of Kathabar, Inc. from Ross Air Systems in January 2008 and formed the subsidiary Kathabar Dehumidification Systems, Inc. With Kathabar and "No-Frost" product lines, Kathabar-Niagara is a world leader in liquid and dry desiccant dehumidification technologies.

About Kathabar

Kathabar Dehumidification Systems, Inc., a Niagara Blower company, engineers and manufactures reliable, highly efficient dehumidification equipment delivering precise humidity control while improving sanitation and energy efficiency. With liquid and dry desiccant systems for dehumidification and energy recovery, Kathabar provides a wide range of solutions options. For more information, contact Kathabar by phone at 732-356-6000, by email at sales@kathabar.com, or visit www.kathabar.com.
